Three course Italian style

John will prepare a three-course dinner. The meals starts with a starter and drinks. We serve honest local dishes (no haute cuisine) made with passion and local ingredients, depending on what is in season.

Family dinner includes wine, beer, sodas & water and finishes with dessert and Italian coffee or English tea.

Barbeque evening

We love a BBQ "a fuori". Our BBQ includes various meats, vegetables, salads, breads & sauces. More importantly, we share what is made on the BBQ whilst having conversation and drinking fabulous local wines from the region.

The BBQ includes wine, beer, sodas & water and finishes with dessert and Italian coffee or English tea.

Pizza evening

The meal starts with a starter salad and drinks. We then get several different pizza's locally from our pizzeria (with a traditional wood burnt oven) or we bake them ourselves in our Ooni Pizza oven.

Pizza night includes wine, beer, sodas & water and finishes with dessert and Italian coffee or English tea.

Wine pairing

Instead of the normal wines that are served with our three course Italian style dinner you can also select the special wine pairing. Selected wines will accompany the courses.
